COVID -19 VACCINATION MANDATE 1 LETTER OF AGREEMENT 2 The parties to this Agreement are the City of Portland (City) and the following unions 3 (collectively, "Unions"): The District Council of Trade Unions (DCTU), Laborers' International 4 Union of North America (LiUNA) Local 483; and Professional Technical Employees, Local 17 5 (PROTEC-17). 6 BACKGROUND 7 1. On March 8, 2020, Oregon Governor Kate Brown declared a State of Emergency in response to 8 the increasing concern with Coronavirus (COVID-19) within the state. 9 2. On August 25, 2021, Oregon Governor Kate Brown issued a temporary order, which was later 10 adopted as an administrative rule by the Oregon Health Authority, to help prevent and slow the 11 spread of COVID-19, requiring all health care personnel and healthcare staff who work in 12 healthcare settings across the State of Oregon be vaccinated against COVID-19 or request a 13 medical or religious exception on or before October 18, 2021. 14 3. On August 30th, 2021, City of Portland Mayor Ted Wheeler and City Council Commissioners 15 announced a new policy requiring all City of Portland employees to be fully vaccinated for 16 COVID-19 or receive a medical or religious exception by Monday, October 18th, 2021. 17 AGREEMENT 18 The parties hereby agree as follows: 19 1. **Definition:** 20 "Fully vaccinated" means having received both doses of an approved two-dose COVID-21 a 19 vaccine or one dose of a single-dose COVID-19 vaccine and at least 14 days have 22 passed since the individual's final dose of COVID-19 vaccine. 27 2. Exception Requests:

- a) For purposes of this LOA, the terms "exemption" and "exception" are interchangeable and are
 considered to mean an avenue by which an employee qualifies to engage in a process of
 accommodation in lieu of being vaccinated.
- b) Employees seeking a religious or medical exception can submit their request for exception at
 any time prior to October 18th, 2021 but are asked to submit their initial request to their Human
 Resources Business Partner by no later than September 17, 2021.
- 34 c) The City will consider medical exceptions corroborated by a document signed by a medical
 35 provider as well as religious exceptions which document a sincerely held religious belief and
 36 includes a statement describing the way in which the vaccination requirement conflicts with
 37 the religious observance, practice, or belief of the individual. Human Resources will assess
 38 exception requests and issue approvals or denials.
- For those employees who are granted an exception, the City will make every effort to provide reasonable accommodations as required by law, including a temporary accommodation where necessary, for requesting employees to maintain employment without creating a direct threat to the safety or health of themselves or others in the workplace.
- Temporary accommodations may be requested where medical reasons prevent the employee from getting the vaccine. The City will consider such requests on a case-by-case basis and will approve reasonable temporary accommodations until the employee can become fully vaccinated.
- 47 3. Retention of Employment.
- a. Employees on Leave of Absence. Notifications will be sent to all employees who are out 48 on leave that they must provide documentation of compliance with the City's vaccine 49 mandate before they are allowed to return to work. Employees on an approved or protected 50 leave of absence who return after October 18th and have expressed an intent to become fully 51 vaccinated will be given a leave up to fifty (50) calendar days, to allow for choice of the 52 vaccine. Employees may use accrued leave (excluding sick leave), and their City sponsored 53 health care coverage will continue during their allowed leave. Any required employee 54 premium contribution will be paid by the employee upon an employee's return to paid 55 status. 56

- e. Retirement or Resignation Option. As an alternative to separation due to the employee not
 complying with the vaccine mandate, any employee may elect to retire or resign employment on
